

Here is my current covid protocol:

- You must be fully vaccinated.
- If you or anyone in your household or bubble have any COVID-19 symptoms, please stay home.
- If you find out you have been exposed to someone with COVID-19 (confirmed or suspected case) within 2 week prior to seeing me, please inform me as soon as possible and stay home.
- Please wear a mask during the session that fits securely over your nose and mouth.
- Please use hand sanitizer or wash your hands when you arrive in my office.

In-office safety and cleaning procedures:

- I am fully vaccinated.
- I wear a KN 95 mask at all times.
- All high-touch surfaces are cleaned between clients.
- Head pads are covered with clean paper towels.
- I wash and sanitize my hands regularly.
- Windows and doors are opened between sessions for venting. Weather permitting, windows are open during the session.
- There's an air purifier running throughout the session.
